BECOME AN ACTIVE MEMBER NOW!!!

WHY JOIN?

WE NEED PARENTS TO ACTIVELY PARTICIPATE...IT'S IMPORTANT TO YOUR KIDS & THEIR EDUCATION! You have an opportunity to hear from the Principal and/or Assistant. Principal on a regular basis because they update us at our monthly meetings. You can be up-to-date on the School Improvement Council as well by listening to their report. By serving on one of the many available committees, you can actually implement programs and/or activities for our children. You can vote at all meetings and in elections. You get a useful Student Directory included with your membership. You'll know more about what is happening in the schools in general and at each grade level. You'll meet a great group of parents who share a common interest –their children's education and school experience.
